Experience

Jan 2020 - Apr 2020

Intern
Attractive Interactive, Karlskrona, Blekinge

- Develop prototypes that feel good to play.
- Work with game designer to identify how to improve the prototype.
- Come up with quick solutions to otherwise time consuming problems
- Ended early because of covid-19

Feb 2021 - Present

System Developer
Piktiv AB, Skövde, Västra Götaland
